## School News

Principals message.

Welcome back to school. Term 3, the second half of the 2022 school season.

Let me introduce myself, my name is Greg Garlick and I was successful in the application to be your Principal here at Cargo Public School for the remainder of term 3. I am a Cowra lad, who is very excited to join the Cargo School community.

Next Tuesday the 16th of August myself and infant's teacher Rebecca Simons will be having a short meet and greet with any parents that would like to get to know a little bit more about the people working with the most precious commodity of all 'children'. We will give a brief introduction, about ourselves, our teaching career and who we are. Hopefully this will help the Cargo community get to know us in a little bit more detail. We will run this just after student pick up from 3:15 - 4:00pm.

I would just like to say a massive thank you to all who I have worked with in my first week at Cargo Public. The staff have been amazing and so supportive, I see a real genuine care for the students and they're all a credit to Cargo Public School. The students have been so welcoming, they have made my transition here to Cargo much easier and happy. A great bunch of kids and staff that I am very excited to continue working with.

To any parents or caregivers, please contact the school for any queries or questions, I will happily book a time to chat with you.

Miss Rosser's Room

It's been a busy fortnight for our primary students! They have started dancing lessons as part of our creative arts unit this term, and have also begun learning a new song in their weekly music class. It's also that time of the year where our students begin their Country Women's Association (CWA) competition projects, on the focus of this years chosen country, Latvia.

It was lovely to see the friendly faces of family members last week during our open classrooms and sausage sizzle for Education Week.

Our Jeans for Genes day fundraiser last Friday was a huge success, with a total of \$119 raised! Thankyou to families and students for supporting this important cause. Stay tuned for our next fundraiser!
