## School News

### Principals message.

What a fantastic week at Cargo Public School. We have been busy, and the positive energy is soaring high.

### Tickets

Every day, students are rewarded with free and frequent rewards 'tickets'. They receive these for any positive or good deed in and outside the classroom. Every afternoon before dismissal a student (or two) is drawn from their classes ticket box. If they're drawn, they get to pick something out of the prize box. It's a great initiative which has worked wonders for students at staff. Positive and frequent rewards.

### Merit awards

Some of you may have notice over the last fortnight, your child coming home with a merit award. Teachers are choosing students weekly to receive merit awards for being safe, respectful or on-task. They are presented on Friday afternoons and the deserving students are congratulated by their peers. It's been great to see students rewarded for their amazing efforts at school.

### Book Week

WOW! How amazing was our book parade. A massive thank you goes to Ms Rosser and Claudette for organising a great spectacle. Thank you to all the family and friends of the students who attended in the wet and freezing weather. It was such a pleasure to see so many happy faces in the school community and a pleasure to meet some parents for the first time. So thank you all for the effort. It was very much appreciated. Have a fantastic weekend!

*Greg*

## Upcoming Events

### Term 3

Fri 16 Sept —WR Athletics—Isabella P

Fri 23 Sept —School Excursion to Bathurst Gold-fields

Fri 23 Sept— Last Day Term 3

### Term 4

Mon 10 Oct—Kids & Staff return to school Term 4

Friday 4 Nov—**Colour Fun Run**

Thursday 15 Dec—Kids last day school

### Book week 2022 "Dreaming with eyes open"

Thankyou to everyone for showing your support for our Book week parade .

The children all looked fabulous in their costumes and had a great time showing off their favourite characters which ranged from Blinky Bill, Minecraft, Princesses, Super hero's, Dr Suess, Bananas in pyjamas, dinosaurs, transformers, Pig the rebel.

A huge thanks for purchasing books and supporting the school.

If anyone would like to buy a book, they will be available to purchase in the school library till Friday.

## Reminders

Book Week Continues until end of day tomorrow

So there is still time to buy a book for your child, family or donate to the school.

Thanks for your support.

## Cargo Primary Newsletter

Miss Rosser's Room

It's been a very busy but exciting few weeks! Last week, our primary students celebrated National Science Week by participating in a science experiment each day. They made lava lamps, invisible secret messages with lemons, created volcanoes and watched them erupt and made icecream in a bag! Some students (and staff) were skeptical about these experiments at first, but they all worked successfully, and students were pleasantly surprised with the results.

This week we have been celebrating Book Week and the theme 'Dreaming with eyes open'. Our class have read and explored many books, discussed their favourite book characters, dressed up and taken part in our school's Book Week Parade and helped set up the Book Fair.

I'd like to personally thank all of our families for their efforts with costumes and book purchases to ensure we had a very successful Book Week!

In the classroom, we have commenced a new English unit about Refugees. Students have been learning the significance of words such as migrate, flee and refuge and how people come to be refugees and the situations that contribute to it. In Maths, our class have been revising topics learnt in Term 1 and at the end of each week are completing post-assessments. We have had some very pleasing results! We are focusing on making artworks to enter into the Canowindra Show in our art lessons each week, but will be working on Father's Day gifts next week.

We are also in the midst of completing our Country Women's Association competition projects and although this competition requires a lot of research and effort from students, they are doing such a great job.

## Cargo Infants Newsletter

Mrs Simons & Mrs Hughes Room

Another busy few weeks for the Infants class, who have taken part in experiments that make lots of foamy bubble to turn their hands blue and discovered how important it is to reduce, reuse and recycle. Each week we choose a fantastic book to base our reading and writing tasks on. During Science Week it was *Rosie Revere Engineer* and this week we are looking at Aboriginal Dreamtime stories including *How the birds got their colours*. We are doing lots of hands-on learning in Maths with adding, subtracting and understanding the properties of 3D shapes. Our Book Week Parade was such a highlight and we thank all families for making it such a wonderful event.

Even though Spring is almost upon us, please keep sending jumpers and dressing children warm.
