In my class!

8 September 2022

School News

Principals message.

Another amazing fortnight here at Cargo Public School.

Father's Day

I witnessed some amazing items made for the greatest day of the calendar year 'father's day'. The senior class making some fantastic, personalised coffee mugs and the junior group chiming into the theme with some awesome coasters for the cups to sit on. It was great to see the student's creativity, that was inspired by their super-star teachers. I hope all families had a safe and happy father's day weekend.

School Excursion

You would have noticed the permission note and reminders in the newsletter about the school excursion to Bathurst Goldfields on the final day of this term. We are all very excited to give the students this wonderful opportunity. We will all jump on the bus, make some damper, watch some blacksmiths make mining tools and hopefully score some gold while panning.

Check In Assessment

Year 6 students are due to complete the mandatory NSW Check in Assessments before the end of term. I am looking after this and will create a timetable in the coming days that fits with their class routine. The year 6 students will complete a numeracy, reading and writing assessment. This creates quality data for the school to give us a clearer view on the students learning and a point of need for our teaching and assessment. This Check in Assessment is mandatory in the NSW Dept of Education.

Thank you

I just wanted to say a quick thank you to all the parents and carers who I have spoken with over the past 5 weeks. I know the amount of change has been difficult for the Cargo community, but your acceptance has been appreciated. You guys have made my transition here much easier. Thank you, I look forward to continue working in your wonderful community.

Greg

Upcoming Events

Term 3

Fri 16 Sept —WR Athletics—Isabella P

Fri 23 Sept —School Excursion to Bathurst Goldfields

Fri 23 Sept— Last Day Term 3—EXCURSION TO BATHURST GOLDFIELDS. Leaving at 8am from school

Reminders

Excursion note & Money for Bathurst Goldfields need to be returned.

Swimming lessons in Term 4 permission note sent home 6.9.22.
Every Thursday ONLY.

Cargo Primary Newsletter

Miss Rosser's Room

Despite a busy past few weeks, our primary students are still working hard in class as we move towards the end of Term 3.

In English, we have been studying the book 'The Littlest Refugee' as part of our refugee unit of work. Students have discovered what the early years of Anh Do's life and his journey to Australia was like.

In Maths during the last fortnight, we've been revising our knowledge of Mass and Length. Last Friday, it was incredible to see more than half of our class achieve 100% in their post-assessment for Mass!

In Science, students have finished learning about the changes of state and will begin a unit focusing on materials next week.

Finally, congratulations to our Year 3 students - Charlie, Isla and Nate for great NAPLAN results which have been sent home. I am very proud of you all!

Cargo Infants Newsletter

Mrs Simons & Mrs Hughes Room

Another beautiful week at Cargo with the sun finally starting to make an appearance has helped Infants to spend time building on our ball skills and teamwork. Mrs Hughes, Mel and myself have been delighted with the improvement in writing and reading by the class and thoroughly encourage all students to keep up with their home reading, we are seeing such a difference!!

Lots of practical learning in class working with measurement, and volume which has helped with the understanding of these vital concepts. Art as led by Mrs Hughes has focused on preparing entries for the Canowindra Show and I can't wait to see the finished results.

Please keep sending lots of healthy food and snacks in lunchboxes, the sun seems to have boosted all appetites.
