13 Dec
P&C Fun Day

15 Dec
Last Day of Term 4

1 February 2024
**First Day of Term 1
for students**

Principal's Message

As we approach the end of the school year, I am pleased to share some exciting updates and express our gratitude for your continued support through out 2023.

Evening Presentation Assembly: In an effort to accommodate the busy schedules of our families, we have rescheduled the Presentation Assembly to the 6:00 pm on the evening of Monday, 11 December. This change aims to make it more convenient for all family members to attend and celebrate the accomplishments of our students. We look forward to seeing you there to applaud the hard work and dedication of our amazing students.

Parent-Teacher Interviews: Teachers will be in touch with families soon to arrange a suitable time for interviews to discuss student progress throughout Semester 2. Student reports will be sent home during Week 10 of this term.

Congratulations to P&C Executive Members: A heartfelt congratulations to the newly elected members of the Parents and Citizens Association executive team. Your commitment to our school and its students is truly invaluable. We appreciate the time and effort you dedicate to enhancing the educational experience for everyone in our school community.

President - Belinda Barrett
Vice President - Krystle Lanser
Vice President - Olivia Lanser
Secretary - Haylee Heinze
Treasurer - Rebecca O'Neill

High Potential and Gifted Education Day: Our students are gearing up for an enriching day at Cudal Public School, where they will participate in a combined "HPGE Day" focussed on social-emotional skills. As school leaders, Cane, Alice, Jake and Poppy will collaborate with senior students from other schools to conduct sessions for younger students. It promises to be a day of learning, growth, and valuable interactions.

OSSA School Spectacular: A big thank you to families who supported our students to attend the OSSA School Spectacular this year. Your encouragement and involvement are crucial to the success of these extracurricular activities, fostering a sense of pride and achievement in our students.

Kind regards,
Peter Chase

OSSA School Spectacular

by Charlie, Year 4

On the 14 & 15 of November, Cargo PS and other small schools went to the Orange Civic Theatre to join the Orange Small Schools Association to perform in Young Hearts, Old Minds school spectacular.

Cargo students danced to Rock Around the Clock. Two people from each small school got to do a part in the play as well as dancing.

There were tickets online for sale so parents could go and watch.

Swimming Program

Due to maintenance at the Orange Pool, the last two swimming sessions for the term will take place in the outdoor pools.

Students are aware of our sun safety requirements of wearing sunscreen, hat and rashie during these sessions.

Remembrance Day

by Jake, Year 5

On Remembrance Day, Cane and I put a wreath on the memorial in Canowindra for the soldiers that had fallen during war.

Students from Canowindra PS and Canowindra HS were also part of the ceremony and put wreaths on the memorial.

My Pop fought alongside other soldiers in the Australian Navy. I think that he would appreciate us taking part in laying a wreath at Remembrance Day.

Week 8 Student Leadership Roles
