Principal's Message

I extend my heartfelt gratitude to the community for the overwhelming turnout at our recent Presentation Night. Your presence made the event truly special, and I would like to congratulate all the award recipients for their hard work and dedication. It is heartening to witness the support our small rural community provides to nurture our students' achievements.

I am pleased to announce that Miss Sarah Donoghue will be joining Cargo Public School as a classroom teacher for Year 3-6 in 2024. Miss Donoghue brings a wealth of experience in music, visual arts, and ICT skills, enriching our team and contributing to the diverse learning experiences we offer our students.

A big thank you goes to Mel Pritchard and Sara Gibbs for their outstanding efforts in delivering an effective swimming program this term. The progress our students have made in both swimming skills and confidence is commendable, and we appreciate the dedication of our instructors.

Over the holidays, our school will undergo important facilities upgrades. Contractors will be on site to complete various improvements, including the installation of new windows and doors, fencing repairs, and the painting of school buildings. These enhancements will contribute to creating a more vibrant and conducive learning environment for our students.

Congratulations to Hazel on completing her final kindergarten transition session. We are excited to welcome her to her first year of school and look forward to supporting her growth and development.

In the coming year, Cargo Public School will be transitioning to the use of School Bytes, a new communication platform. All communication with parents, including permission notes, will be streamlined through the School Bytes app. We believe this will enhance our ability to keep you informed and engaged in your child's education.

Thank you once again for your continued support. Together, we can make Cargo Public School an even more enriching and nurturing environment for our students.

Presentation Assembly

The presentation evening was a wonderful way to celebrate the achievements of our children throughout this year. I want to thank every one that came along to enjoy the evening. Congratulations to the students on your awards and achievements.
