Last day Term 2

FUTURE DATES

Monday 31/7/23
**Healthy Harold
visit**

21-23 August
**Canberra Primary
Excursion**

Principal's Message

Week 5 Assembly: Thank you to those community members who were able to attend our assembly last week to celebrate student excellence. Our next assembly will be held on Friday 30 June at 2:30 pm.

Parent Teacher Interviews: Most families have participated in our parent teacher interviews and there have been some excellent conversations about student strengths and achievements. Please contact the office if you have not yet been able to attend a meeting.

Combined School Disco: Our students have been invited to attend a combined school disco from 5-6 pm on Thursday 29 June at Manildra with students from Manildra PS and Cudal PS. Our students will be transported by bus to and from the event.

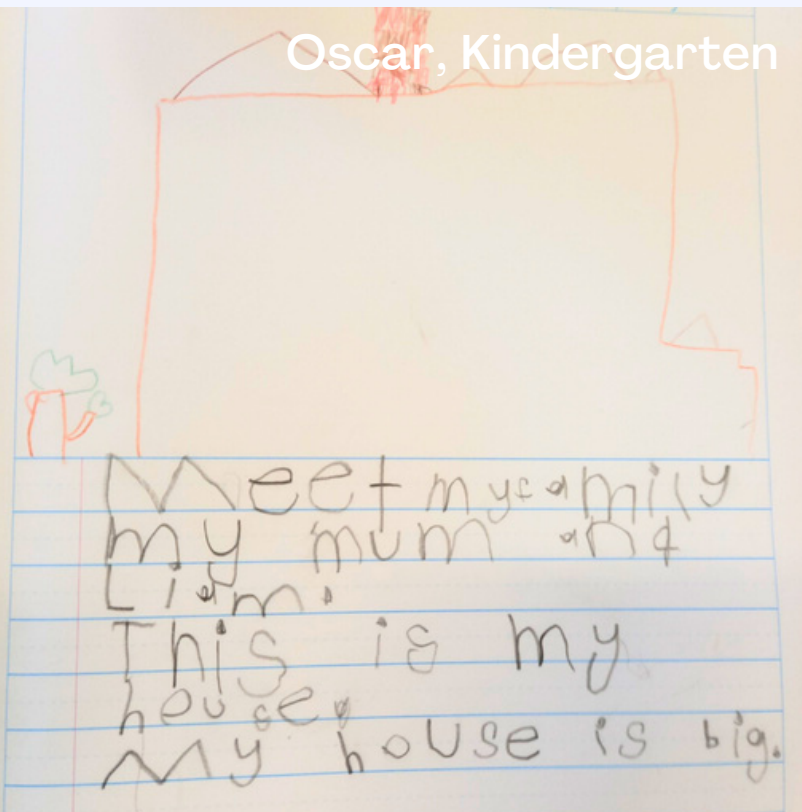

P&C Annual General Meeting: The next P&C Meeting has been re-scheduled for 5:30 pm on **Wednesday 14 June** for the convenience of our working parents and carers. All parents are encouraged to consider taking on a role on the P&C to help improve the school experience for our students.

Creative Arts Day: Students will be attending the Creative Arts Day at Gooloogong Public School on Thursday 8 June to support high potential and gifted students by providing opportunities to excel in creative arts. All students will participate in dance, music and visual arts workshops throughout the day.

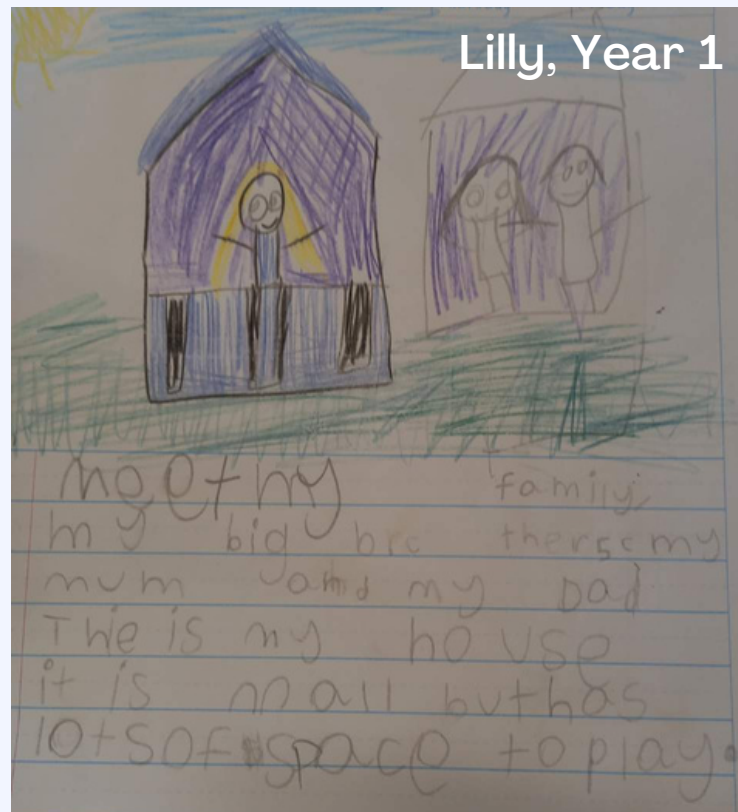

Primary Camp: We have begun planning an overnight excursion for our Year 3-5 students in collaboration with Manildra PS. The excursion will be held in Canberra from 21-23 August. More details will be available very soon!

K-2 Writing

Meet My Family
by Jordan, Year 2

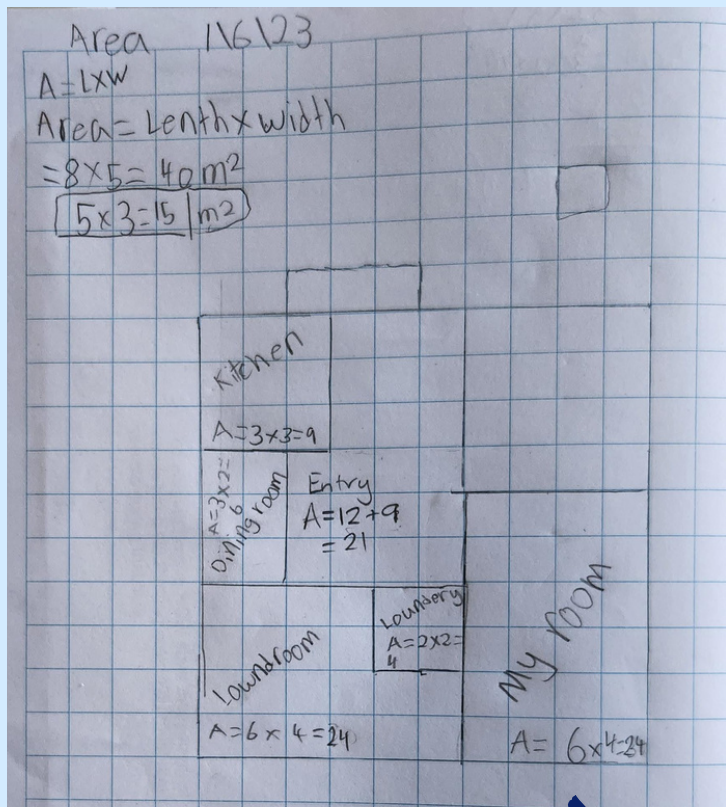

Today we wrote about our families and our special. We started with a plan to describe who and where the story will happen. We will use this to write a narrative next.

Jordan, Year 2

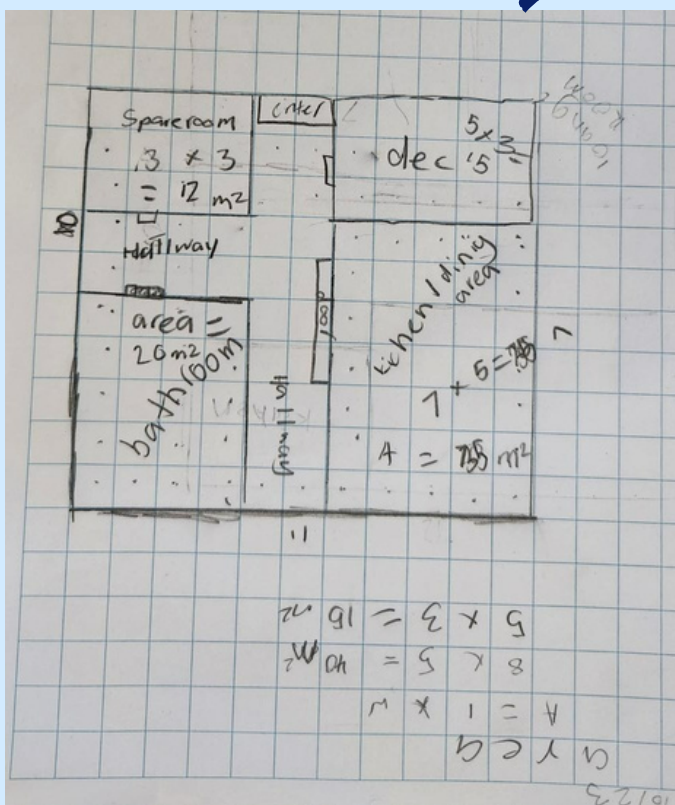

Rhys, Year 1

We have been learning to measure area using Minecraft. First we designed our house and worked out the area of each room. Then we built our house in Minecraft Education and shared our buildings with the class.

Maintenance work is available at public schools across the North Western NSW region.

The NSW Government has committed to the largest investment in planned maintenance of public schools in NSW history. A record \$1.3 billion is being spent on an ambitious delivery program, with over \$100 million being invested to upgrade and maintain school infrastructure in the North Western NSW region.

Want to work with us? We welcome all local trade and suppliers to join us at our Bathurst event.
